40KM/H SPEED LIMIT FOR PROTECTION OF EMERGENCY SERVICE WORKERS

To the Honourable Speaker and Members of the Legislative Assembly of New South Wales.

This petition of certain residents of the State of New South Wales brings to the attention of the House the urgent need for the introduction of enforceable 40km/h speed limits in the vicinity of emergency service personnel operating on or near roadways.

Currently 40km/h speed limits are in force at roadworks, school zones and school bus zones, recognising the dangers posed to people on or near the road. Our emergency service personnel – paid professionals and volunteers – deserve the same safety and protection.

The undersigned petitioners call on the Legislative Assembly to support a bill to introduce 40km/h speed limits in the vicinity of emergency service personnel operating on or near roadways in New South Wales.
